

2 January 1957

AT
MEMORANDUM FOR:

Check in connection with legislation you have worked on to study sections 2277 through 2281 of Title 42 of the U. S. C. A. to see if we should look for similar legislation and information pertaining to intelligence sources and methods.

Also re Atomic Energy Act of 1954: p. 3465 of U.S. Congressional Code, Mr. Warner desires the revisions set forth in the section-by-section analysis, and in the columnar comparison sections of report; p. 3486 of same book, under Sections 222 thru 231, Mr. Warner wished copies of debates on cases under these Sections. ^(Atty General) (The two requests in this paragraph have been passed along to Legislative Counsel's office.)

LAWRENCE R. HOUSTON
